Carols in the Kirk with Montrose Town Band, Song Shop and the Church Choir. A wonderfully uplifting evening and enjoyed by everyone.

Youngsters from the Sunday School performed a delightful rendition of the Christmas Story. It was a lovely beginning to the Christmas Season.

Summer Mission 2016

2016 is still quite new however plans are already under way for this year's Summer Mission (it's good to look forward to light nights and warmer weather!)

Summer Mission has grown considerably over the years and it has definitely made a mark in the town's calendar as being a very important week - last year over 150 children attended. 150 children attending, how blessed are we! However, we are a victim of our own success and we cannot become complaisant and assume that everything will fall into place, we need more helpers. A lot of work, planning, organising and fun – yes fun, it's great fun – has to happen before the Summer Mission Begins.

This year the dates are Saturday 2nd July – Sunday 10th July and shortly the theme of the Holiday Club will be launched with an appeal for volunteers – please give this your serious consideration – there is something that everybody can do and as always, we look forward to your support. Till then, watch this space !.....

Planning ahead

We are well on with plans for a family wedding – Laura is getting married at the end of April. It's a joy but as you will appreciate there is a lot to do. Even as someone who has conducted a good number of weddings I discover that there is more to it all than meets the eye! Not simply a to-do list but lists of lists! It will all happen and it will be a happy occasion and we hope it will bring joy not only to the couple but to the congregation too. (She is getting married in Old & St Andrew's).

Quite a few of you will have heard the term "Quinquennial Visitation" – the five yearly "inspection" visit by the Presbytery. This has been superseded by the Local Church Review which aims to encourage congregations not merely to look back on what they have been doing in the past but to sharpen up their plans (and identify their needs) in all sorts of areas of church life and work with a view to ensuring that their future is on a firm footing. It has a more forward looking focus and the visiting group will keep in touch with us afterwards to see how we are getting on – in a supportive way. We are just embarking on

the preliminaries of our review (along with other Montrose congregations) so it remains to be seen how things will pan out – but I certainly hope that as a congregation we might be able to engage in this positively and find, under God, that we can set out plans for the next five years or more (at least in outline) that will give us confidence to go forward with hope and engage with what God has for us.

It can be easy to home in on our disappointments and challenges (and there is much in the world to drag us down) but we need to recall that Jesus came to bring us a future and a hope and will be with us always. He did not promise his disciples (or us) an easy road but he did assure us that he would walk with us every step of the way. "Past put behind us, for the future take us: Lord of our lives, to live for Christ alone." Let's look to God to lead us into his future for us and let's eagerly embrace the process of shaping our plans so that they align with his – that way we can be sure of receiving his blessing.

Walking Group Report

There have been very few walks over the past months, due mainly to the weather.

On **Saturday 13th February**, we shall meet at 1pm at Baltic Street Car park for a walk locally – new members welcome to join us. Walks are held locally over the winter months and we only travel when the weather is fine and the days longer. The walks are not long – usually 3 to 4 miles.

The next Messy Church is on **Sunday 21st February** from 4 -5.30pm in the church halls when the theme is "Messy Me" (God Loves Me). An open invitation is extended to all but children must be accompanied by an adult.

Hand washing facilities in the Hall toilets have been upgraded. Automatic foam soap dispensers and paper towels complement the existing warm air hand driers. Please ensure used hand towels are deposited in the bins provided.
